

AN ISO 9001, FSSAI, HACCP, HALAL, STAR-K KOSHER & GMP CERTIFIED COMPANY

#innovationthroughdiscovery

Panacea Phytoextracts Pvt. Ltd. is an innovative and the leading manufacturer, supplier of optimum quality standardized herbal extracts for the formulation of Herbal Biomedicines, Phytodrugs, Nutraceuticals, Food supplements, Pharmaceutical intermediates, Cosmetics products and most recently new chemical entities for synthetic drugs in the global market of Herbalism.

Panacea Phytoextracts Pvt. Ltd. is an integrated supplier for global supply chain, we offer a broad array of raw materials and functional ingredients as a manufacturer, distributor and supplier for Global Beverage, Nutraceutical, Food, Feed and Cosmeceutical Industry.

Quality, implementation and traceability are the pillars that support the base of our structure and goals.

Quality Certifications

Our Registered And Clinically Studied Extracts

A Pioneer In The Indian Industry

- Innovation by providing customized specifications as per Client's requirement with the modernized technique
- Dealing with almost 150+ different standardized herbal extract solutions with high quality specifications of HPLC grade analysis
- Equipped with modern instruments like HPLC, Atomic absorption spectrophotometer, UV Spectrophotometer, Fume Hood chamber, Hot Air Oven, etc...
- More than 25 In-house validated method available, tested in our In-house laboratory
- Certifications available GMP, FSSAI, ISO 22000:2018, Halal, Star-k Kosher & HACCP
- Valued Supplier for Top pharmaceutical companies in India with 300+ Customer base and 100+ customers internationally in 40+ countries
- Assure to adhere with current Good Manufacturing Practices, Regulatory requirements and International guidelines

Our Core Services

Diverse Product Range

World Class Customer Service

Contract Manufacturing

Business Presence In Advanced Economy

Best In Class Technical Support

Global Business Focus

Emphasis In Quality & Product Development

Inhouse Established & Validated Methods

- Rutin NF 11 by UV
- Quercetin by HPLC
- 5-HTP by HPLC
- Resveratrol by HPLC
- Ginsennoside by UV & HPLC
- Proanthocyanidin by UV
- Beta-carotene by UV
- Levodopa by UV & HPLC
- Total Flavone glycoside by HPLC (as IP & USP)
- Total curcuminoids by HPLC
- Total withanolides by GV
- Gymnemic acid by GV
- Gingerol by UV
- Silymarin by UV
- Polyphenol by UV
- HCA by HPLC

- Saponin by GV
- Total chlorogenic acid by HPLC
- Hesperidin by HPLC & Total bioflavonoids by UV
- Boswellic acid by Titration
- Silica by GV
- Polysaccharide Content by precipitation
- Andrographolide content by HPLC
- Piperine by HPLC
- Hederacoside C by HPLC
- EGCG content by HPLC
- Glycyrrhizin acid by HPLC
- Bitter content by GV
- Hydroxy anthracene glycosides expressed as sennoside B by UV
- Gymnemic Acid by HPLC
- Luteolin content by HPLC

Quality Control System

- State of Art In-house Quality control laboratory as per GLP guidelines
- Standardization of herbal extracts
- Stability testing of herbal products
- Critical parameters like physio-chemical and microbiological parameters are checked in comparison with working standard for verification for each product
- Analysis report is prepared on basis of results recorded in protocol

Quality Assurance

Our products are 100% natural, no other bioenhancers are used

GMP Compliant

Aflatoxin free

Non-Irradiated

100% GMO free

BSE TSE free

Vegan product

Forward & backward traceability available for all batch

- We have separate highly sophisticated microbiology laboratory which is designed as per ISO and FSSAI guidelines
- High standard calibrated Instruments are available in our micro lab
- We are using ATCC culture as a control culture for the MLT analysis and in that 'zero' OOS filed till date

Product Name

Scientific Name /Source

Standardized Grade

Aloe Vera

Barbadensis miller

100X, 200X Polysaccharide

Benefits:

Anti Inflamatory, Skin Care, Anti-Ageing, Lowers Blood

Sugar In Diabetes

Andrographis Extract

Andrographis paniculata

Andrographolide content 10% - 70%, **Bitter content**

Benefits:

Cold & Flu Relief, Immunity Booster, Heart Health,

Antipyretic

Amla Extract

Emblica officinalis/ Phyllanthus emblica Tannin 20% & 40% by Titration & 5% Gallic Acid

Benefits:

Anticancer, Immunity Booster, Improves Eye Sight,

Prevent Hair Fall

Ashwagandha Extract

Withania somnifera

2.5%, 5% and 10% Withanoloides by GV and HPLC

Congnitive Health & Mental Health, Controls Diabetes, Benefits: Congnitive Health & Meritan Health, Sports Nutrition
Improves Bone Health, Muscle Strength, Sports Nutrition

Bamboo Extracts

Bambusa vulgaris

Silica: 65% upto 70% by UV

Benefits: Helps In Asthma, Cough & Gallbladder Disorders

Berberis Extract

Berberis aristata

Berberine 10% upto 98% by HPLC

Fight Inflammation Related To Dental Infections, Acne,

Benefits: Treat Fever, Depression, Hyperglycemia

Boswellia Extract

Boswellia serrata/ Boswellia carterii

AKBA 30% by HPLC Boswellic Acid upto 80% by Titration

Anti-inflammatory, Joint Care, Osteoarthritis (OA),

Benefits: Rheumatoid Arthritis (RA)

Green Tea Dry Extract

Camellia sinensis

Total polyphenol content 50% & 90%

Benefits: Weight Loss, Blood Sugar Regulation, Disease Prevention

Product Name

Scientific Name /Source

Standardized Grade

Cissus **Extract** Cissus quadrangularis 3-Ketosteroides 2.5%, 10%, 20% and 40%

Benefits: Cortisol Blocker, Joint And Bone Health

Curcuma longa **Extract**

Curcuma longa

Curcuminoids 95% Curcuminoids 40%. Water dispersible

Benefits:

Antibacterial, Anti-Inflammatory, Biliary Disorders,

Anorexia, Cough, Hepatic Disorders

Fenugreek Extract

Trigonella foenum-graecum

Saponin content 20% - 60%

Constipation, Painful Menstruation, Polycystic Ovary Benefits: Syndrome, Obesity, Heart Health, Blood Sugar

Management

Garcinia **Extract**

Garcinia cambogia **HCA 50% & 60%** Water soluble **HCA 50% & 60%** by HPLC

Benefits:

Obesity, Joint Pain, Increase Bowel Movements, For

Treating Worms And Parasites

Green Coffee Extract

Coffea arabica

Total Chlorogenic acid 40% - 50% upto 50% by HPLC

Benefits:

Obesity, Diabetes, High Blood Pressure, Alzheimer's

Disease, Bacterial Infections

Cranberry **Extract**

Vaccinium macrocarpon Upto 50% by UV and 4:1

Benefits:

Anti-oxidant, Promote The Retinal Cells Regeneration, Depending On The Purple Quality, Improve Eyesight To

Prevent, Enhance The Immune System Ability

Gymnema Dry Extract **Gymnema** sylvestre

Gymnemic acid 25%-75 by GV 25% by HPLC

Benefits:

Weight Loss, Snake Bites, Laxative, Stimulating Digestion,

Diabetes

Product Name

Scientific Name /Source

Standardized Grade

Moringa **Dry Extract**

Moringa oleifera

Saponin content **upto 60%**

Benefits: Antifungal, Antiviral, Antidepressant, Anti-inflammatory

Liquorice **Extract**

Glycyrrhiza glabra

Glycyrrhizin upto 50% by GV upto 25% by HPLC

Eczema, Anti Inflammatory, Hepatitis, Mouth Sores, Flavor Benefits: Foods, Heartburn, Bacterial & Viral Infections

Piperine

Piper nigrum L.

Piperine 95% by HPLC

Benefits:

Antioxidant, Antitumor, Chronic Diseases, Insulin-Resistance,

Anti-Inflammatory

Senna **Dry Extract**

Cassia angustifolia

Sennosides content 10%, 20% and 60%

by UV

Laxative, Rectal Surgery, Anal Fissures, Hemorrhoids, **Benefits:** Weight Loss

Spirulina powder

Arthrosrira platensis

Protein 65%

Benefits:

Powerful Antioxidant And Anti-Inflammatory, Antidiabitic,

Gut Health

Tinospora Cordifolia

Tinospora cordifolia

Bitter content upto 5% by UV

Diabetes, High Cholesterol, Allergic Rhinitis,

Benefits: Upset Stomach, Gout, Cancer, Rheumatoid Arthritis (RA),

Hepatitis, Syphilis, Boost The Immune System

5-HTP

Griffonia simplicifolia

Upto 98% by HPLC

Benefits:

Antidepressant And Sedative, Anxiety And Improving

The Role Of Sleep

Tribulus extract

Tribulus terrestris

Saponin 45%

Benefits:

Urinogenital disorders, Fever, Boosts Sexual Health and Stamina, Treats PCOS, Boost Libido, Promotes Cardiac

Function

Product Name

Scientific Name /Source

Standardized Grade

Ginger **Extract**

Zingiber officinale

Total Gingerol content 2.5%, 5%, 10% and 20%

Morning Sickness, Irritable Bowel Syndrome (IBS), Nausea, Benefits: Rheumatoid Arthritis (RA), Osteoarthritis, Menstrual Pain,

Upper Respiratory Tract Infections

Ginseng **Extract**

Panax ginseng C. A. Mey

Ginsengosides 5%, 10%, 20% and 80% by UV and HPLC

Benefits:

Copd, Cognitive Function, Erectile Dysfunction, Multiple Sclerosis (MS), Premature Ejaculation

Grape Seed Extract

Vitis vinifera

Procyanidins/OPC

Benefits: Atherosclerosis, Cancer, Chronic Venous Insufficiency, Collagen Breakdown, Dental Caries

Quercetin **Extract**

Sophora flavescens Ait/Sophora japonica L

Quercetin 95% by HPLC, 98% by UV

Atherosclerosis, High Cholesterol, Heart Disease, Diabetes, Benefits: Cataracts, Hay Fever, Peptic Ulcer, Schizophrenia,

Inflammation, Gout

Resveratrol

Polygonum cuspidatum Resveratrol 10%-98% by HPLC

Benefits: High Cholesterol, Anti-Cancer, Heart Disease, Anti-Ageing

Rutin

Sophora japonica

Upto 95% by UV, BP

Benefits:

Anti-inflammatory Effects, Blood Vessel Health & Antioxidant; It Is A Supplement Used To Treat Poor Blood Circulation, Hemorrhoids, And Meniere's Disease

Citrus **Bioflavonoids Extract**

Citrus sinesis (Citrus aurantium) **Total bioflavonoids** content upto 95%

Aid To Enhance The Action Of Vitamin C, To Support Blood Benefits: Circulation, As An Antioxidant, Treat Allergies, Viruses,

Arthritis, Other Inflammatory Conditions

Product Name Scientific Name /Source

Standardized Grade

Ginkgo Biloba Extract

Ginkgo biloba

Ginkgo leaf extract 24/6 (24%Flavonoids & 6% Lactones) Total flavone glycoside 24% Ginkgo leaf Water soluble extract

Benefits:

Altitude Sickness, Cerebral Vascular Insufficiency, Cognitive Disorders, Dementia, Dizziness/Vertigo, Glaucoma, Memory Loss, Premenstrual Syndrome

Ivy Leaf Extract Hedera nepalensis var.

Hederacoside C 3%, 5%, 10% Saponin 15%

Benefits:

Asthma, Bronchitis, Chronic Obstructive Pulmonary

Disease, Cough

Beta Carotene

Dunaliella Saina

Coated 10% & 20% Beta carotene

Benefits: Prevent Certain Cancers, Heart Disease, Cataract

Marigold Extract

Tagetes erecta

Lutein free Powder -5%, 10%, 20% Lutein Oil Suspension 20% Lutein Ester Powder 5%, 10%, 20%

Benefits:

Stomach Upset, Ulcers, Menstrual Period Problems, Eye

Infections, Anti-Inflammation

Pomegranate Extract Punica granatum 40% Punicalagins 40% Ellagic acid content Tanin UV

Benefits:

Antioxidants, Cancer Prevention, Alzheimer's Disease

Protection, Digestion, Anti-Inflammatory

Milk Thistle Extract Silybum marianum Silymarin content 70% - 80%

Benefits:

Hepatitis, Cirrhosis And Alcoholic Liver Diseases, Jaundice,

Gallbladder Disorder

Product Name Scientific Name /Source

Standardized Grade

Saw Palmetto

Serenoa repen or Serenoa serrulata Fatty Acid 45% powder 85% - 95% oil

Benefits:

Hair Loss, Improves Urinary Tract Function, Prostate Health, Decrease Inflammation, Regulate Testosterone Levels

Echinacea Extract

Echinace purpurea L

4% Polyphenols Echinacoside

Benefits:

Immunity-booster, Helps To Reduce Blood Sugar, Anxiety, Inflammation, Skin Health, Anti-Cancer

Bromelain

Ananas comosus Proteolytic activity 600 GDU/g, 1000 GDU/g, 1200 GDU/g, 2400 GDU/g, 2500 GDU/g & 3000 GDU/g

Benefits:

Anti-Inflamatory, Gum Care, Osteoarthritis, Anti-Cancer,

Digestive Problems, Muscle Soreness

Hesperidin

Citrus aurantium/ Citrus sinensis/ Citrus reticulata

Up to 90% by HPLC

Benefits:

Antioxidant, Anti-Inflammatory, Reduce Hay Fever

Papain

Carica papaya

100 TU/mg to 1000 TU/mg

Benefits: Anti-Inflammation, Aids Digestion, Diarrhea, Anti-Allergic
