

FINISHED FORMULATIONS

Meteoric Biopharmaceuticals, with global headquarters in India and offices in the USA and Vietnam, pioneers innovative biopharma solutions. With nearly 20 years of expertise, we offer customized enzymes, prebiotics, probiotics, synbiotics, postbiotics, bioactives, formulations, and animal health products. Since 2019, our Formulations division has developed over 200 products, including 60+ clinically backed formulations, registered in 30 countries. We specialize in science-driven, personalized solutions from concept to commercialization, addressing health needs at every life stage.

Our comprehensive range of Enzymes, Prebiotics, Probiotics, Bioactives, Multi-Vitamin-Multi-Mineral and Herbal Formulations are developed to meet the unique nutritional needs of individuals across all stages of life. We also offer world-class packaging solutions to meet the evolving market demand that aligns with the global standards.

GROUP METEORIC

Meteoric Biopharmaceuticals Animal Healthcare Division offers high-quality enzymes, probiotics, and nutraceuticals for dairy, poultry, and aquaculture. Focused on enhancing animal health, we provide reliable veterinary feed supplements and innovative enzymatic solutions for better efficacy

Meteoric Cosmeceuticals Pvt. Ltd., as part of the Meteoric Group, delivers next-generation cosmetic ingredients, including enzymes and bioactives. Our focus on the skin microbiome drives the development of innovative postbiotics and natural solutions. Backed by advanced research, our solutions provide pioneering innovations for the cosmetic industry

Panacea Phytoextracts Pvt. Ltd. specializes in standardized herbal extracts for biomedicines and cosmetics, emphasizing active metabolites and 100% certified purity. With 28 GMP-certified herbal solutions, we aim to expand R&D collaborations for innovative phytoextracts from indigenous plants

Established in 2019 as a CSR partner of Meteoric, VISHALWIN Foundation focuses on two key initiatives: VishalCARE, providing rehabilitation for children with neurodiversity, and VishalSAVE, enhancing road safety through ambulance installations and emergency response systems. Our mission is to foster inclusion and support for vulnerable communities across India

KEY HIGHLIGHTS

Commercialized
200+
products

130+
products
registered
globally

60+
compositions with
clinically proven
ingredients

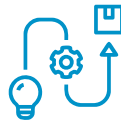

Formulations
Registered Across
30+
Nations

OUR USP'S

Your trusted CMO & CDMO
partner from conceptualisation
to commercialisation

One stop solution from proof of
concept to commercialization of
all your nutraceutical brands

Support with FSMP Procedure
for FSSAI approval

Automated manufacturing
process with least human
point of contact

Assist with clinical studies of
a newly developed product

Complies with WHO-GMP,
ISO 22000:2018, HACCP,
HALAL and USFDA

Project completion on
Turnkey basis

We offer science driven
concept formulations to
cater your market demands

OUR PROMISE

Complete regulatory
support throughout
the product lifecycle

We value and
secure your
intellectual
property

Varied best in class
packaging solutions
which meet
global standards

DOSAGE FORMS

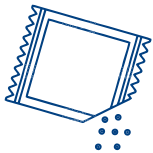

TABLETS

- Uncoated tablets
- Coated tablets
- Mouth dissolving tablets
- Chewable tablets
- Effervescent tablets
- Uncoated sustain release tablets
- Sustained release tablet

CAPSULES

- Liquid filled capsules
- Veg Capsule (HPMC)
- Pallet filled capsules
- Veg. Soft gelatin capsules
- Delayed release capsule

POWDER / SACHETS

- Water dispersible sachet
- Mouth dissolving sachet

SUSPENSIONS

- Aqueous suspension
- Oil suspension
- Probiotic respules

SYRUPS

- Syrups (Sugar/ Sugarfree)
- Dry syrups

GUMMIES

- Sugar gummies
- Sugar-free gummies

ORAL SPRAYS / SHOTS

- Aqueous solutions
- Aqueous shots

Mouth dissolving Tablet
